All horses, even champions of the racetrack and the show ring, are only one unlucky sale away from abuse, neglect and slaughter.

Humanity has been able to spread far and wide on the backs of horses -- but the carnage of horses at the hands of humans is also well documented.

Sadly, horses still face abuse, neglect, and the threat of slaughter. Viewed as commodities, too many horses are regarded as disposable for profit when their owners cannot, or no longer wish to, care for them.

The work of the EQUUS Foundation begins each time the career of a horse comes to an end.

At the heart of our mission is our commitment to ensure that donor dollars are invested in effective programs that are finding homes for at-risk horses and horses in transition, providing a safe haven for aged horses, and increasing opportunities for people to engage and partner with horses in new and innovative ways.

Informed giving has never been more important!

166,572 Horses shipped across the border to be slaughtered in 2012 - the most horses in one year

81,476 Horses shipped across the border to be slaughtered in 2018

63,648 Horses shipped across the border to be slaughtered in 2019

34,445 Horses shipped across the border to be slaughtered in 2020

The solutions to ensure that horses transition to next chapters and thrive without risk of abuse and neglect, or the threat of slaughter, are within our reach by making horses more accessible to more people!

For horses to remain an important part of American life and have a viable future, we need to embrace a fundamental shift in our attitude towards horses -- from the horse as a commodity to the horse as a partner -- as an athlete, companion, teacher and healer.

The *Individual Dressage Entry Form* is to be used to enter riders that have qualified on an individual basis. {All riders who qualified per class may be entered. The *Team Dressage Entry Form* is to be used to enter only a team, one rider per class.} Scratches can be made with full refund before closing date. After the closing date, entry fees will only be refunded if a substitute team or rider can fill the opening. All payments are to be made by check. Checks should be made payable to: **IEA Dressage**

Dressage Format:

The general format will follow the Rules and Regulations as established by the IEA unless otherwise stated. However, if a topic is not covered by these Rules and Regulations, the rules and regulations of the Intercollegiate Horse Show Association ["IHSA"], the United States Equestrian Federation, Inc. ["USEF"], the United States Dressage Federation ["USDF"] and the Intercollegiate Dressage Association ["IDA"], may be used as a reference for guidance in making an equitable decision under the circumstances. Any decisions made by a steward or show management shall be final.

All horses will be provided by the host. Horses and Order of Go will be assigned by a random draw on the day of competition. Before dressage test classes, each rider will be allowed only four laps around the ring with two changes of direction, and must follow the pattern posted by the show steward. All classes will be judged on equitation, and faults of the horse will not be judged. If a horse should perform so poorly that it is impossible to fairly judge the rider, the judge may request a re-ride. All requests for re-rides will be determined by the steward.

All riders must wear ATSM approved protective headgear whenever mounted.

Dressage Awards:

- The Champion Dressage Rider Award will be given to the Varsity Open rider with the highest dressage test score of the day.
- Team Championship: Each team will designate one point rider for each class in the Varsity and Junior Varsity and Future divisions. Different riders may be designated for flat and fences. A champion and reserve will be awarded to (1) The High Point Upper School Team and (2) The High Point Middle School Team. Overall High Point Team will be the team with the most points from all pointed classes-combined upper school and middle school results. Points will be awarded as follows: 1st=7 points, 2nd=5 points, 3rd=4 points, 4th=3 points, 5th=2 points, 6th=1 point.
- Sportsmanship Award will be given to the individual chosen by show officials to exemplify outstanding qualities of good sportsmanship.
- Horse of the Show Award (4509.5) - The EHC of each regular IEA sanctioned show will award the "Horse of the Show" to be chosen by the judge and/or show steward. The award should be given to the horse, regardless of points earned during the course of competition, who best demonstrated fair and generous treatment toward its riders.
