Qualifying for Dressage National Finals

Dressage National Finals will be held on May 15th and 16th 2021, in Hamburg, NY, at Fairgrounds Showplex.

Each Region, based on membership proportions, is allowed a certain number of riders from each individual class and team from their Regional Finals to move on to Nationals.

The IEA reminds us that if your riders know they will not be able to participate in the National Dressage Final we, as a region, can allow the next rider in succession to take their place at Nationals.

However, a substitute rider can only be assigned if it is declared when the Region #7 final results are sent to the IEA National Secretary.

****For example, what this means is that if the second place rider cannot attend, the third place rider cannot be sent unless it is declared at Regional Finals.****

Coaches, please make a point to ask all your riders (and confirm with their parent or guardian) if the rider plans to attend IEA Dressage National Finals. If you find that any rider does not plan on attending or cannot attend, please be prepared to declare this at the Region #7 Finals on 4/10/21.

This should in no way impact whether or not a rider should compete at regional finals.

After careful consideration, and even if they qualify, the following riders **will NOT** be able to participate at *Dressage National Finals on May 15th and 16th 2021.*
