Dressage Format:

The general format will follow the Rules and Regulations as established by the IEA unless otherwise stated. However, if a topic is not covered by these Rules and Regulations, first the rules and regulations of the Intercollegiate Dressage Association ("IDA") and then, if not resolved the rules of the appropriate national governing body (NGB) may be used as a reference for guidance in making an equitable decision under the circumstances. Any decisions made by a steward or show management shall be final.

All horses will be provided by the host. Horses and Order of Go will be assigned by a random draw on the day of competition. Riders participating in Dressage Test classes will be allowed a minimum of a two (2) minute warm-up prior to the bell, either in the show square, or in a designated warm up area. Show hosts may expand this time as long as each rider is allowed the same amount of time for warm-up. All classes will be judged on equitation, and faults of the horse will not be judged. If a horse should perform so poorly that it is impossible to fairly judge the rider, the judge may request a re-ride. All requests for re-rides will be determined by the steward.

-All riders must wear ASTM approved protective headgear whenever mounted.

Dressage Awards:

- **Champion Dressage Award (D3303)**: Presented to the high point individual open rider based on the total combined individual class points from the varsity open DSE and varsity open test classes. In case of a tie, the award will be determined by the higher individual test class score. (If the test scores are tied and cannot be broken, refer to Dressage Rule D4600).

- **Team Championship**: Each team will designate one point rider for each class in the Varsity and Junior Varsity and Future divisions. Different riders may be designated for flat and fences. A champion and reserve will be awarded to (1) The High Point Upper School Team and (2) The High Point Futures Team. Points will be awarded as follows: 1st=7 points, 2nd=5 points, 3rd=4 points, 4th=3 points, 5th=2 points, 6th=1 point.

- **Sportsmanship Award (G4504)**: The EHC will present a sportsmanship award to a youth member chosen by the show steward. The show steward will select from nominations received throughout the day from any show official or IEA member. The award should be given to the youth member (rider or junior education member) who, during the course of the show and competition, best demonstrated the true meaning of sportsmanship as defined in Rule G1501. The recipient may be a competitor or noncompetitor.

- **Horse of the Show Award (G4505)**: The EHC of each regular IEA sanctioned show will award the "Horse of the Show" to be chosen by the judge and/or show steward. The award should be given to the horse, regardless of points earned during the course of competition, who best demonstrated fair and generous treatment toward its riders.

The Interscholastic Equestrian Association (IEA) recognizes the health and safety of participants as a top priority and will continue to define important safety measures in response to COVID-19. However, participants, attendees, vendors and all others who may be physically present at an IEA event must be aware and acknowledge that attendance at any group sporting event carries with it the risk of exposure to airborne viruses, including COVID-19. By signing below, you acknowledge the inherent risks, including the public health risk presented by the Coronavirus, of participation/attendance in a group sporting event, and you specifically agree that IEA cannot guarantee your personal physical safety and cannot be held liable for participants' or attendees' possible exposure to viral disease.

Programs may be modified or suspended immediately and without notice because of force majeure causes beyond the IEA's reasonable control and occurring without its fault or negligence including, but not limited to, acts of god, fire, wars, governmental action, terrorism, epidemic, pandemic, or any other event beyond the IEA's control.

It is the responsibility of the team coach(es) to confirm that they, their riders and attending family members have self-monitored their temperature once daily prior to entering the competition grounds. Anyone with a temperature of 100.4° F or higher may not enter the facility.
