## General Rules

## **Responsibility:**

In exchange for entrance to and participation in the show, this entry constitutes an agreement and affirmation that the team making it, and each of its riders, coaches, trainers, and representatives shall accept and abide by the Rules and Regulations of the IEA and of the Show, and that each rider, coach and Team: (1) is a member in good standing of IEA, (2) is eligible as entered, and (3) will accept as final all rulings of IEA and the show steward (or committee) with respect to their conduct.

**Also, through participation each rider, rider's parents/legal guardians, coach, trainer, and participant acknowledges THAT HORSES ARE INTRINSICALLY DANGEROUS AND UNPREDICTABLE AND CAN CAUSE SERIOUS INJURY OR DEATH**, thus each agrees to indemnify, defend and hold harmless IEA, its officers, directors, members, employees, Executive Director, National Steward, agents and representatives, the Event Host Coordinator, the host team and facility, the show stewards, stewards committee members, the show judges, the show secretary, all show organizers and officials, all medical personnel, and all persons, stables, and others providing facilities, horses or equipment for the Show, other riders, coaches, teams and team sponsoring institutions, from any claim, action or suit, for injury, property damage or death sustained by the individual, rider, entity, coach, trainer, or participant while traveling to, from and around the show, while staying in the city for the show, during participation in the show and while at the show. **This entry constitutes an acceptance of the hired officials at this event.**

## **Entries:**

**4106** In zones that are NOT split into regions, the EHC must be prepared to accommodate at least twelve (12) riders in each class offered. In zones that ARE split into regions, the EHC must guarantee at least one entry per class to every team within their region **entering before the priority entry closing date.**

**4106.1** Once a team has fulfilled its hosting obligation to the Region per Rule 4106, it may **consult with the Zone Administrator to approve additional shows limiting entries** in any fair and equitable manner. The Zone Administrator may also grant additional and priority entries to riders from the host team. The total number of rides from the host team may not exceed 50% of the total number of rides entered in the show

**A team roster showing proof of rider eligibility must be included with the entry form per Rule 5314.**

Entries will be accepted on a first received basis with full payment until all spots are filled and may be limited in any fair way. Once the closing date has past, additional entries may not be accepted or added.

Each individual will be charged **\$45** per class. One rider in each class should be marked as the priority entry. Scratches can be made with full refund before closing date. After the closing date, entry fees will only be refunded if a substitute team or rider can fill the opening.

The region priority entry period ends with the opening of general entries to other regions and/or zones. Entries from teams within the priority region received after the opening of the general period will be handled as general entries.

**Riders who become eligible after the closing date may not enter, even as a substitute.**

Is this a region-only show? **Yes** // No

What fair and equitable method of entry limitations will be followed? (Any entry limits must accommodate the minimum requirement of 1 rider per class per team in the hosting region entered by region priority entry closing date.)

1) **Priority riders (1 rider per class per team)**

2) Ride count caps - choose **one** method:

\_\_\_ rides per team (total rides including all levels - upper / futures – being hosted)

\_\_\_ over fences rides and \_\_\_ flat class rides

\_\_\_ upper school riders and \_\_\_ futures riders

3) No limits

**“IEA Horse Shows** must be considered a community effort. All teams and individual riders who compete are expected to participate in the organization or running of the Horse Show in some way. Host and Co-Host teams will take the majority of the burden, but additional teams, especially new teams, should plan on helping at each show to gain experience towards hosting.”

The greatest need from the community effort is providing suitable horses. Teams and Individuals participating in a horse Show have three options to meet the community effort of providing horses

1. Contribute appropriate horses to the event to cover the rides at each level for their competitors. Suggested contribution equates to one (1) horse to cover approximately (5) rides, for example:  
*-if a team enters open and intermediate riders, ponies or novice horses would not be considered to cover their rides*  
*-if a team enters novice and beginner riders, open or intermediate horses would not be considered to cover their rides*
2. Partner with another team that has excess horses to cover the rides for their competitors. Terms to be negotiated between the two parties, for example:  
*-if a team enters open and intermediate riders, but only has ponies or novice horses to contribute, they partner with a team that has open/intermediate horses; between the two teams all levels or riders are covered*
3. Pay a lease fee that will go to the teams or outside sources willing to bring additional horses.  
*-the leasing team ensures that the leased horses cover all levels of riders entering from the leasing team and the leasing team agrees to horse hold and take care of the leased horses*

This option will place an equal burden on all teams to help provide suitable horses for each show regardless of the size of the team. It also allows larger teams to bring additional rides other than just the one priority ride per class providing they are covering those rides with horses that are suitable and level-appropriate.”

Region priority entry opening date: **9/26/22**

Region priority entry closing date: **10/14/22**

The general entry period may close earlier if classes fill to capacity with permission of the Membership Office.

Checks should be made payable to **Evermore Farm**

**Hunt Seat Format:**

The general format will follow the Rules and Regulations as established by the IEA unless otherwise stated. However, if a topic is not covered by these Rules and Regulations, the rules and regulations of the Intercollegiate Horse Show Association ["IHSA"] and United States Equestrian ["USEF"] for the Hunt Seat Division and the American Quarter Horse Association [AQHA"] and the National Reining Horse Association ["NRHA"] for the Western Division may be used as a reference for guidance in making an equitable decision under the circumstances. Any decisions made by a steward or show management shall be final.

All horses will be provided by the host team. Horses and Order of Go will be assigned by a random draw on the day of competition. Before jumping classes, each rider will be allowed **only two** warm-up fences, in the pattern posted by the show steward. Warm-up fences may only be changed by a steward or show official. All classes will be judged on equitation, and faults of the horse will not be judged. If a horse should perform so poorly that it is impossible to fairly judge the rider, the judge may request a re-ride. All requests for re-rides will be determined by the steward.

-All riders must wear ATSM approved protective headgear whenever mounted.

### **Hunt Seat Awards:**

-The Leading Rider Award will be given to the winner of the Varsity Open Championship (if offered).

-Team Championship: Each team will designate one point rider for each class in the Varsity and Junior Varsity and Future divisions. Different riders may be designated for flat and fences. A champion and reserve will be awarded to (1) The High Point Upper School Team and (2) The High Point Futures Team. Points will be awarded as follows: 1st=7 points, 2nd=5 points, 3rd=4 points, 4th=3 points, 5th=2 points, 6th=1 point.

-Sportsmanship Award will be given to the individual chosen by show officials to exemplify outstanding qualities of good sportsmanship.

-Horse of the Show Award (4509.5) - The EHC of each regular IEA sanctioned show will award the "Horse of the Show" to be chosen by the judge and/or show steward. The award should be given to the horse, regardless of points earned during the course of competition, who best demonstrated fair and generous treatment toward its riders.
