IEA Participant COVID-19 Checklist

Equestrian competitions are one of the few athletic offerings currently permitted. To ensure IEA shows may continue operating, all attendees share responsibility in being COVID-19 conscious and proactive in safeguarding themselves and others. Everyone taking part in an IEA show, including but not limited to, those working as paid staff members or volunteers, participating as coaches or riders, or attending as spectators must follow IEA COVID-19 MANDATES.

Along with precautions that event hosts will be implementing, participants and spectators at IEA shows will need to cooperate with and contribute to efforts limiting exposure and spread of COVID-19. Before heading out to an IEA show, please review the following checklist and new rule - IEA COVID-19 MANDATES.

☑️ Take your temperature before leaving home. Anyone with a temperature of 99.5 or higher may not attend the show.

☑️ Stay home if feeling ill or exhibiting any symptoms of COVID-19.

☑️ Check the horse show prize list for additional COVID-19 notes or directives specific to the host facility.

☑️ Ensure all attendees have signed any additional COVID-19 waivers of liability that might be required.

☑️ Limit the number of spectators attending to one per rider.

☑️ Wash and/or sanitize your hands upon arrival at the show and frequently while in attendance. Bring your own personal supply of hand sanitizer and/or disinfectant wipes.

☑️ WEAR A FACE COVERING (mask) AT ALL TIMES while attending an IEA show! Face coverings (masks) are MANDATORY for SPECTATORS, PARTICIPANTS (except when mounted), and OFFICIALS. Riders will not be penalized for opting to wear a face covering (mask) while competing. Attendees are expected to provide their own masks.

☑️ Come dressed ready to ride. Changing rooms will not be available on site.

☑️ Coordinate with your team coach about the show schedule, arrival time, and means for communicating with one another during the show.

☑️ Wait in your vehicle until it is time to ride. Congregating ringside (indoors or outside) in groups will not be permitted.

☑️ Maintain Social-Distancing of at least 6 feet between non-family members when out of your car and moving around the show grounds.

☑️ Depart the show grounds as soon as your last class is complete.

☑️ Bring your own snacks, drinks, and coffee. Do not expect vendors of food or other goods to be on site.

☑️ Advise the IEA membership office (info@rideiea.org) if any person is diagnosed with COVID-19 within 14 days of attending an IEA event.
**NEW RULE - IEA COVID-19 MANDATES**
For the 2020-21 Competition Season all IEA shows and participants (show staff, volunteers, coaches, riders, and spectators) must adhere to the following IEA COVID-19 MANDATES:

### IEA COVID-19 MANDATES

- Verification of personal temperature of less than 99.5 degrees before arriving on Show grounds.
- Regardless of temperature, do not attend the Event if feeling ill, showing any signs that could potentially be related to COVID-19, or if you have been in contact with anyone diagnosed or showing symptoms of COVID-19 within 10 days of the event.
  
  "**While the ideal quarantine time is still considered to be 14 days, it is recognized that a shorter quarantine period may balance significant societal burdens against the progressively smaller possibility of spreading the virus over time after exposure.** An individual may discontinue quarantine after Day 10 following close contact (exposure) without testing if no COVID-19 symptoms are present.

- **FACE COVERING (mask) MUST BE WORN AT ALL TIMES** while attending an IEA show as a SPECTATOR, PARTICIPANT or OFFICIAL.
- Competitors must wear face coverings (masks) at all times except when mounted on a horse.
- If an individual needs a reasonable accommodation to the face covering (mask) requirement due to a verifiable disability under the Americans with Disabilities Act, a face shield should be worn. Any alternative accommodations to the face covering requirement must be confirmed by the membership office at least 48 hours before the event.
- Hands must be washed and/or sanitized upon arrival at Show grounds and frequently while in attendance. Attendees should bring a personal supply of hand sanitizer
- Maintain Social-Distancing of at least 6 feet between non-family members.

  **Each rider is limited to bringing no more than one (1) attendant (guardian/spectator) per show.** Sibling riders are limited to one (1) shared attendant (guardian/spectator) per show. Depending on spacing and each show facility's policy, the attendant may or may not be permitted ringside to watch the rider compete

- Advise the IEA membership office if any person is diagnosed with COVID-19 within 14 days of attending an IEA Event.
- National/State/Local Government and/or Health Department rules may differ from these IEA Guidelines/Rules. In ALL cases, the more restrictive regulations, recommendations, guidelines, and requirements will prevail.

**Hunt Seat Format:**

The general format will follow the Rules and Regulations as established by the IEA unless otherwise stated. However, if a topic is not covered by these Rules and Regulations, the rules and regulations of the Intercollegiate Horse Show Association [“IHSA”] and United States Equestrian [“USEF”] for the Hunt Seat Division and the American Quarter Horse Association [AQHA”] and the National Reining Horse Association [“NRHA”] for the Western Division may be used as a reference for guidance in making an equitable decision under the circumstances. Any decisions made by a steward or show management shall be final.

Zone Finals must be considered a community effort. All teams and individual riders who qualify to compete are expected to participate in the organization and/or running of the Regional Final in some way; including but not limited to providing a facility, schooling riders, show staff, volunteers, and horses.

Horses and Order of Go will be assigned by a random draw on the day of competition. Before jumping classes, each rider will be allowed **only two** warm-up fences, in the pattern posted by the show steward. Warm-up fences may only be changed by a steward or show official. All classes will be judged on equitation, and faults of the horse will not be judged. If a horse should perform so poorly that it is impossible to fairly judge the rider, the judge may request a re-ride. Any other requests for re-rides will be determined by the steward.

-All riders must wear ATSM/SEI approved protective headgear whenever mounted.

**Hunt Seat Awards:**

- The Leading Rider Award will be given to the winner of the Varsity Open Championship (if offered).
- Team Championship: Each team will designate one point rider for each class in the Varsity and Junior Varsity and Future divisions in the team classes. Different riders may be designated for flat and fences. A champion and reserve will be awarded to (1) The High Point Upper School Team and (2) The High Point Middle School Team. Points will be awarded as follows: 1st=7 points, 2nd=5 points, 3rd=4 points, 4th=3 points, 5th=2 points, 6th=1 point.
- Sportsmanship Award will be given to the individual chosen by show officials to exemplify outstanding qualities of good sportsmanship.
- Horse of the Show Award (4509.5) - The EHC of each regular IEA sanctioned show will award the “Horse of the Show” to be chosen by the judge and/or show steward. The award should be given to the horse, regardless of points earned during the course of competition, who best demonstrated fair and generous treatment toward its riders.

Qualifying for National Finals

National Finals will be held April 23-25, 2021 at the Georgia National Fairgrounds in Perry, GA

Each Zone based on membership proportions, is allowed a certain number of riders from each individual class and team from their Zone Finals to move on to National Finals.

The IEA reminds us that if your riders know they will not be able to participate in National Finals, we, as a zone can allow the next rider in succession to take their place at National Finals.

However, a substitute rider can only be assigned if it is declared when the Zone 5 final results are sent to the IEA National Secretary.

*For example, what this means is that if the second place rider cannot attend, the third place rider cannot be sent unless it is declared at Zone Finals.*

Coaches, please make a point to ask all your riders (and confirm with their parent or guardian) if the rider plans to attend IEA National Finals. If you find that any rider does not plan on attending or cannot attend, please be prepared to declare this at Zone Finals March 27-28, 2021.

This should in no way impact whether or not a rider should compete at zone finals.

After careful consideration, and even if they qualify, the following riders will NOT be able to participate at National Finals in Perry, Georgia April 23-25.
