All classes will be judged on equitation, and faults of the horse will not be judged. The recipient may be a competitor or non-competitor.

The award should be given to the horse, regardless of points earned during the course of competition, who best demonstrated fair and generous treatment toward its riders.

Rides Advancing to 2024 National Finals and Bye Rules

This year, Zone 8 can advance the top high school rider in each high school class, the top high school team, the top Future Division rider in each Future Division class and the top Future Division team following the 2024 Zone 8 Final Competition.

(If a rider enters a 2024 Zone Final Competition Class where, due to the allotments assigned for National Finals, the rider has a guaranteed bye to National Finals, their class will be considered a scrimmage class. According to Rule G8205, if a rider receives a score of “0” or no score in a scrimmage class, they may still advance to the level for which they had already qualified.)

By signing below, you acknowledge the inherent risks, including the public health risk presented by the Coronavirus, of participation/attendance in a group sporting event, and you specifically agree that IEA cannot guarantee your personal physical safety and cannot be held liable for participants' or attendees' possible exposure to viral disease.

Programs may be modified or suspended immediately and without notice because of force majeure causes beyond the IEA's reasonable control and occurring without its fault or negligence including, but not limited to, acts of god, fire, wars, governmental action, terrorism, epidemic, pandemic, or any other event beyond the IEA's control.

It is the responsibility of the team coach(es) to confirm that they, their riders and attending family members have self-monitored their temperature once daily prior to entering the competition grounds. Anyone with a temperature of 100.4° F or higher may not enter the facility.
