Any decisions made by a steward or show management shall be final.

Zone Finals must be considered a community effort. All teams and individual riders who qualify to compete are expected to participate in the organization and/or running of the Zone Final in some way; including but not limited to providing a facility, schooling riders, show staff, volunteers, and horses.

Horses and Order of Go will be assigned by a random draw on the day of competition. Before jumping classes, each rider will be allowed **only two** warm-up fences, in the pattern posted by the show steward. Warm-up fences may only be changed by a steward or show official. All classes will be judged on equitation, and faults of the horse will not be judged. If a horse should perform so poorly that it is impossible to fairly judge the rider, the judge may request a re-ride. Any other requests for re-rides will be determined by the steward.

The Interscholastic Equestrian Association (IEA) recognizes the health and safety of participants as a top priority, and will continue to define important safety measures in response to COVID-19. However, participants, attendees, vendors and all others who may be physically present at an IEA event must be aware and acknowledge that attendance at any group sporting event carries with it the risk of exposure to airborne viruses, including COVID-19. By signing below, you acknowledge the inherent risks, including the public health risk presented by the Coronavirus, of participation/attendance in a group sporting event, and you specifically agree that IEA cannot guarantee your personal physical safety and cannot be held liable for participants' or attendees' possible exposure to viral disease.

Programs may be modified or suspended immediately and without notice because of force majeure causes beyond the IEA's reasonable control and occurring without its fault or negligence including, but not limited to, acts of god, fire, wars, governmental action, terrorism, epidemic, pandemic, or any other event beyond the IEA's control. It is the responsibility of the team coach(es) to confirm that they, their riders and attending family members have self-monitored their temperature once daily prior to entering the competition grounds. Anyone with a temperature of 100.4° F or higher may not enter the facility.
