The Interscholastic Equestrian Association (IEA) recognizes the health and safety of participants as a top priority, and will continue to define important safety measures in response to COVID-19. However, participants, attendees, vendors and all others who may be physically present at an IEA event must be aware and acknowledge that attendance at any group sporting event carries with it the risk of exposure to airborne viruses, including COVID-19. By signing below, you acknowledge the inherent risks, including the public health risk presented by the Coronavirus, of participation/attendance in a group sporting event, and you specifically agree that IEA cannot guarantee your personal physical safety and cannot be held liable for participants' or attendees' possible exposure to viral disease.

Programs may be modified or suspended immediately and without notice because of force majeure causes beyond the IEA's reasonable control and occurring without its fault or negligence including, but not limited to, acts of god, fire, wars, governmental action, terrorism, epidemic, pandemic, or any other event beyond the IEA's control. It is the responsibility of the team coach(es) to confirm that they, their riders and attending family members have self-monitored their temperature once daily prior to entering the competition grounds. Anyone with a temperature of 100.4° F or higher may not enter the facility.
